The 2009 Region III Fall Conference is returning to “Big D” in October. The theme for the conference is “Denim & Diamonds in Dallas: Gems for International Educators. Many International Educators have diamonds, rubies, or emeralds of wisdom to share with their fellow NAFSANS. The Fall Conference gives them the opportunity to share these gems with Region III.

The North Dallas-Addison Crowne Plaza Hotel will be our conference hotel. Additional information about the hotel and other conference details will be forthcoming.

Members of Region III are invited to submit proposals for sessions related to the five main Knowledge Communities as well as ESL, 2-year Institutions, or any other areas of International Education. Along the lines of the 2006 Region III Fall Conference in Little Rock, we encourage you to incorporate names of gemstones in your session proposal titles.
